The story of Matt n me takes an exciting twist when Mack learns more about Mattie's family...I hope you enjoy this new adventure...drop me an email and let me know what you think. If you did not read it, you might want to start with **Matt n Me**.

As we sat in the hot tub, Matt straddled my hips with my rock hard cock buried in his beautiful ass. Mattie started to ride the stone pony. I could feel my cock brush by his prostate and he moaned and ground his penis against me. He kissed me deeply probing every corner of my mouth...his taste was wonderful...his pace quickened and I felt my body building toward the third mind numbing orgasm of the day. Mattie broke the kiss and whispered I love you in my ear. I started to fuck his ass with intensity. His climax began with my third deep thrust and he held me tight. His hot young ass tightly clinched in a deep spasm and that was enough to push me over the edge. I drove deeply into him thrusting my seed deep with in him. Each thrust seemed to go deeper as our tongues battled with each other. I kissed him and told him he was wonderful and pulled him close to me...

Mattie laughed and said he had to get out of the hot tub cuz he was about well done. I needed to get out too...but I did love having my softening cock still buried in his ass. When we went in the phone was ringing and it was Eric's mom. Eric had been vomiting all morning and she wondered if I could take Josh. I said sure. When I hung up and told Matt what was going on...he raised an eyebrow and smirked. I asked what was funny and he said that he thought this was going to be interesting.

As we were driving over to Eric's house, I asked Josh if it was safe to assume that he told Josh everything. He looked a little sheepish and said yeah. I grinned and said I think you are right this will be interesting.

Josh ran out to the car. The snow was about mid way up his shin. He jumped in. I got out of the car and asked if he would like to try 4 wheeling in the snow. He grinned and we traded seats. After a few pointers we set off for home. He drove in the garage.

When we got inside, everyone shucked off their coats and hung them on hooks in the kitchen. We also kicked off our shoes. I watched Mattie give Josh an intense look. Missed ya bro, he said. He turned and hugged his brother and much to his brother's surprise Mattie began to kiss Josh. As the kiss continued, Josh's body language said he was uncomfortable and then their lips parted and the passion increased. Josh tightly wrapped both arms around Matt. The kiss continued to intensify...could not tell for sure...but from my vantage point it seemed that both boys were enjoying the taste of each others tonsils.

I watched as Mattie's right hand slid around Josh's hip toward the front of his jeans which were clearly tented. Mattie's fingers lightly traced Josh's bulge. Mattie broke the kiss momentarily and said, soooo hard bro....so hard. He continued the kiss. After a few more moments, I admired Mattie's dexterity as he undid Josh's belt. It seemed as if the belt and button on the jeans were

undone in a single motion. I watched in fascination as the zipper went down next. Matt freed both hands and in one quick motion Josh was standing naked from the waist down except for clothes and shoes at his feet.

Josh had an identical but slightly larger penis than his brother. His pubic hair and penis sized clearly indicating about 2 years more development than his little brother. I could not wait to see him completely naked. As I was thinking that Matt slipped to his knees pulling his brother's cock straight out from his body, he looked hungrily into his brother's eyes. Mattie's mouth closed over the head of his brother's raging erection. Josh occasionally glanced at me with eyes glazed with lust. As the intensity of his brother sucking action increased, Josh started to lose control. His fingers in Mattie's hair, Josh moaned as he began to piston his cock deep in Mattie's throat. Josh was totally lost in fucking his brother's face. Mattie began to play with Josh's testicles as they began to draw up in preparation for a massive orgasm.

As I stood there rubbing my hard cock through my jeans, I heard Josh moan loudly as he began to share his seed with his brother. The first shot went deep in Matt's throat. I watched as Mattie drew back and he was clearly enjoying the taste of his big brother's seed. As Josh's climax subsided he stood there with a dazed and confused look on his face with his pants around his ankle and his beautiful cock starting to deflate. Mattie stood up and came toward me. He put his arms around me and kissed me deeply depositing a huge load of his brother's seed on my tongue. I kissed him back and held him close.

He pulled back from our kiss and looked into my eyes. I love him and I wanted to share that love with you. I hugged him and kissed him again. This is going to be some amazing weekend.

More to come...let me know what you think.... Mack1137@gmail.com
