

When I was in high school I realized that I was gay. I had blond hair, green eyes, was 5'10", muscular body, and had a large bubble butt that everyone gasped over when they saw it. It got the attention of many men no matter where I was. I knew that this would be a good way for me to get sexual attention when I needed it. When I was a younger child before high school I was teased by many guys about my ass, because my underwear never fit. I always wore a thong or small bikini's that when up in my ass and I couldn't help it. My parents had no option but to buy me thongs. My first thong gave me a boner because it teased my pucker all the time. That is when I knew I was gay. Later I had asked someone in my high school to get me a dildo. I was in love with the dildo. I sucked it and fucked myself on it. It was nothing I had ever felt before. I loved something in my ass, so later I got a butt plug that was 7 inches and stayed perfectly in between my two large cheeks. I was forever aroused in high school all the time.

Then there was a boy in high school who was really buff, attractive, black hair, blue eyes, 6'0" and was known for having a large dick that all the girls loved. Little did I know he would take a liking to my ass, plus me. One day he walked up to me and slapped my ass which got my butt plug all jiggled out of place, and I was instantly horny, because of course I've been looking at Luke for a long time. He was fucking gorgeous.

"I know you have been looking at me everyday."

I couldn't speak.

"You want my rod, don't you?"

I was surprised that he even asked me; since I really didn't tell people I was gay. He felt up my ass and felt the hard end of my butt plug and I blushed.

He said, "You horny fucker, you really want this, don't you?"

"Yes."

"Come closer to me."

Of course, all this was happening in the locker room and I was beside myself. What if someone saw us? What if the coach came in? He lowered my pants and thong, which he laughed at, and then rubbed my juicy, round butt.

He whispered, "Your ass is so inviting, it must be like a pussy inside."

I giggled and said, "Yes Luke, just for your large rod."

He winked and then flipped me over and massaged my back and butt. I was in love, I couldn't help but moan, whimper, gasp, and thrust back.

"I love you Luke... you are a god."

He said, "I know, just imagine when you have boys all over you from the team, the coach, my dad, and all of them."

I giggled and said, "That would be amazing."

He then thrust his dick into me and I gasped, I was no longer a virgin. I loved it, and moaned loudly as he rubbed against my prostate. He fucked me so well and accurately; I couldn't believe this straight guy was fucking my bubble butt. He said how my big butt could get the attention of anyone and that I had to flaunt it now if I wanted more cock. There was nothing that had felt like this before. He felt my nipples and I gasped, this was heaven. We had passionate sex for a while and then he started to fuck me really hard.

I screamed, then moaned and said, "Fuck me, and fuck me more. FUCK, FUCK, FUCK ME LUKE!"

He laughed at my slutty attitude and then gasped. Luke pressed his body close to mine. His cum was all the way up my ass and I could feel the warmth entering into me. I finally had a place inside me that men would want to use to fuck me.

Immediately after that, he stood up, picked up my thong, put it on himself, slipped the butt plug back into me, threw me my pants, told me to eat his cum later when I got home, and then left and blew me a kiss. "You will have more fun later, I promise, whore." I ran home feeling his cum oozing in my butt. I pulled the plug out and then ate his cum as it dripped out. I licked the plug clean as well. I was so happy and then wanted more but I fucked myself on my dildo. I moaned and thought of the pretty boy, Luke. Luke wouldn't be the last person that would be fucking me, I thought. I need more and more now. My pussy must have some, and I would strip, flaunt, and wear smaller, tighter clothes, or anything to get more cock.
