Reluctant Boy Scout 2

As they were driving to the gymnastics competition, Michael started the conversation about last night with an apology. He told the boys that he was sorry that he walked in on them.

The car got quiet and Nicholas said I am sorry you had to see that. I wanted to tell you but I was not sure how.

Michael was momentarily silent and before he could speak Nicholas went on.

I am sure you were grossed out and angry.

Michael shook his head no. I wasn't he said. I was surprised. I didn't expect to walk in and find my son having sex with his friend. It left me speechless until I saw you tear up. Nicholas, do you know how much I love you. I would never intentionally do anything that causes you pain. When I saw you in pain, I tried to ease that pain as best I could last

night. I didn't want to embarrass you any more than I already had. It was hard to know what to do. I mean you were both naked, half hard and covered with each other's semen. Not the perfect setting for a father to comfort his son.

Michael asked Nicholas if he understood what unconditional love means.

Nicholas said he thought he did.

It means I love you no matter what. I will always love you for who you are.

Yeah but what if I am queer?

No matter what! And by the way you are not the only one who has gone through something like this.

Nicholas turned sharply toward his father with a puzzled expression on his face. What do you mean?

I mean that my father walked in on me and my friend. I am bisexual and I have known it since I was 14. When I walked in on the two of you last night, I almost went off in my pants. You are two of the most gorgeous creatures that God ever created. You both have spectacular bodies.

Nicholas and Christopher both sat there with their mouths hanging open.

We can talk more about this later if you want to, Michael said as he pulled into the parking lot for the regional competition.

Nicholas said...Oh yeah! Count on it! I gotta hear about this.

The boys gathered their gear and headed for the competition floor. They started getting ready for their first routine. Nicholas said to Christopher, can you believe that?

Christopher said no...not in a million years would I have guessed that. Christopher noticed that Nicholas was more than a little chubbed. I hope that goes down, he told Nicholas, you could poke somebody's eye out with that thing. Both boy had a good laugh until the coach told them to be quiet.

Michael watched the boys dress for their routine. Watching the boy strip down to shorts and seeing their naked chests made his cock and balls ache. As the morning progressed, he watched the boys perform and the beauty of their athletic bodies.

The competition ended about 4pm and as they were walking out, Olivia called Michael. She told him that they were having horrible storms and that the storms were headed toward them. She suggested that they spend the night. She said there had been a lot of

traffic accidents because of the storms. Michael agreed.. He asked Olivia to call Christopher's mom and tell her what is going on.

Michael told the boys what Olivia had said. He looked across the road and saw a good restaurant and hotel. He asked the boys if they needed any clothes. The boys said they had some clean clothes.

Let's go get some supplies from the drug store. He and the boys found travel kits. He walked over the family planning section and found a tube of KY jelly. The boys raised an eyebrow but neither said anything.

They went back to the hotel and check in. When they got to the room he suggested that they all take a shower. Nicholas stripped down and went first. When he came out it was clear that his towel was doing a poor job of concealing his boner.

Nicholas walked over in front of his father and said, I have been thinking about it and I really want to hear the rest of that story.

As he sat on the edge of the bed Michael smiled and said, I can sure tell that you have been thinking about it. And he reached out and held Nicholas' erection through his towel.

Christopher was undressing for his shower. He had his backed turned while he undressed because he was starting to chub. He wished that he had gotten a towel before he started to undress. But then it wouldn't be anything that Nicholas' dad hadn't seen already.

When he turned around he froze in place as he saw Michael holding Nicholas' erection through his towel. Christopher was also fully erect. As he stood looking at father and son, he cock began to leak precum.

Nicholas stared into his father's eyes and he had the confidence to let go of his towel. Michael let the towel fall to the floor. Michael placed his hands on the boy's waist and pulled him toward him. Nicholas' penis was almost perfectly perpendicular to his body and pointing suggestively at his father.

When Michael pulled him forward his penis went perfectly toward Michael's lips. Michael gently kissed the tip of the boy's erection. Nicholas' moan was music to Michael's ears. Michael gently pulled the boy closer and as he did he slipped the head of the boy's penis into his hungry mouth. He thought about how long he had lusted after the boy's beautiful body.

Michael had his first taste of the boy's precum. It was like champagne. Michael could not wait for the boy's oversexed body to give him more. It had been a very long time since Michael had sucked a cock but it seemed the most natural thing in the world.

In moments, Michael was taking his son deep in his throat. He would have to go slowly because the boy was close to the edge.

Nicholas ran his fingers through his father's hair. He had never loved his dad more than he did this minute. He was so close to the edge. He saw his friend Christopher with a boner looking worried and feeling like an intruder.

Nicholas said, Daddy will you be Christopher's Daddy too. He doesn't have a Daddy.

Michael looked up at his son and smiled as he stroked the boy's hips. He motioned Christopher over.

He drew Christopher closer and the boy had the smell of clean sweat. He pulled the boy to him and he deep throated the boy. Christopher gasped for breath and then moaned as Michael took him to the hilt again. Michael began to rapidly bob his head and the boy could not help reflexively fucking his friend's father's face. He needed to shoot his seed.

Both Michael and Christopher had developed a rhythm that could only lead to the boy's massive orgasm. The boy cried out at he went over the edge and ejaculated his hot seed in Michael's mouth. He continued to grunt and moan with each ejaculation of semen. He planted his seed deep in Michael's throat.

When the boy's orgasm subsided, Michael stood and kissed his son. He probed the boy's mouth with his tongue sharing Christopher's seed with his son.

Michael then sat on the bed and again took Christopher in his mouth. He began bobbing rapidly knowing that after watching his father suck his best friend to a mind-blowing orgasm that it would only take a few moments to bring his son to a body wracking orgasm. Michael could feel Nicholas penis swell in preparation for the release of his seed. He lightly touched the boy's scrotum and found that Nicholas' testicles were drawing up preparing to deliver the boy's essence to Michael.

Michael felt the boy's body shudder and him moan as Nicholas took hold of the back of his head. Michael felt the boy go over the edge and he was immediately smacked in the face by the boy's pubic bone. It was at that instant that he first tasted his son's essence. He felt his tongue being showered by the boy's hot semen.

Nicholas was so lost in his orgasm he was completely unaware of what was going on around him other than his father was sucking his cum out of his rock hard erection. As Nicholas fucked his father's face he felt as if this orgasm was so powerful it might turn him inside out. His father had given him the release that he so desperately needed all day.

When it was over, Michael stood and kissed Christopher sharing his son's seed with his "adopted" son. He could feel that Christopher was already erect.

He broke the kiss and said I don't know about you guys, but I am hungry.

Christopher do you mind if I join you in the shower so that we can get out of here faster?

Christopher smiled and said that would be great. Christopher went and got the water going. Michael stripped naked and kissed his son quickly on his way by.

Christopher and Michael were both erect and Christopher reached out and lightly stroked Michael's 8" member. It is so beautiful, he thought.

Michael moaned and said that they should save that for later. They finished their shower and got dressed.

When they returned from dinner, they started to strip each other naked. Michael gave each boy a long passionate kiss. He sat down on the edge of the bed and went from kissing and sucking one penis to the other.

He stood up and went to the bag of item that they had purchased at the drug store and he remove a box. It had the tube of KY jelly and he quickly applied some to his finger. When he sat back down he reached around Nicholas and applied some lubrication to his anus. Michael gently massaged the sphincter muscle and gently put the tip of his finger in his son's hot core. Nicholas moaned at the penetration.

Michael probed deeper until he reached the boy's young prostate. As he massaged it, the boy began to moan and his penis began to leak a steady stream of precum. Michael began to lick the precum of the tip of his son's penis.

Michael inserted a second finger. He began to stretch the boy and make him ready for what was to come. His young son had a glazed look of lust in his eye. Michael added the third finger to the boy's love canal. While there was some discomfort, the boy was ready for penetration. Before he penetrated his son, he took more KY jelly and applied it to Christopher's sphincter. He bent Nicholas forward so that his elbows were on the bed and then he put the tip of his engorged penis at the entrance to his son's molten core. He pressed forward and listened as Nicholas cried out at his first penetration.

While his son adjusted to his father's member, Michael inserted a finger in Christopher. Christopher moaned with pleasure. Michael then thrust his member deeper in his son's anus. Michael was so sexually excited, he was afraid that he might explode before he could fully penetrate his son. He held still as he put a second finger in Christopher.

Christopher winced during the insertion of the second finger. It took him a while to adjust to the invasion of his virgin ass.

Michael thrust the rest of his erection to his son's core. The boy was panting trying to adjust to his father's large penis invading his virgin body. The boy gasped as his father began to thrust. The father ask the son if he should stop for a while and the boy shook his

head no. Michael began to thrust again and again. He love the snug warm feel of his son's ass clenching on his tender member.

Christopher cried out in pain as Michael put the third finger in the boy's anus. Christopher was panting and trying to adjust to the pain and intrusion. Michael had developed a nice rhythm fucking his son's ass. Some how the intense need to seed his son had subsided and he was just enjoying the feeling of riding his son's butt.

Nicholas said Daddy it is time for you to take Christopher. Michael looked over at Christopher and noticed that he looked worried. Michael eased out of his son and moved behind Christopher. Michael put his penis at the boy's pucker. Christopher gasped as Michael penetrated his young ass with the glans of his penis. Michael kept steady pressure on the boy's butt as his took his virginity. He thrust again and again until he was in the boy to the hilt.

Christopher was breathing heavy. Michael thrust again and again until the boy cried out. The assault on his prostate was too much for the boy. The boy sprayed the bed with his semen and it landed all over the bedspread. Christopher was gasping for breath after his orgasm.

Nicholas assumed the position and looked over his shoulder at his father. Daddy please fuck me.

Christopher got on his knees and pushed Nicholas back from the bed. Without a word, Christopher took Nick's penis to the hilt in his hot waiting mouth.

Michael stood behind Nicholas and gently bent the boy over so that he could once again impale the boy on his raging manhood. Michael positioned his erection at the entrance to his son's love tunnel. Michael's cock was leaking a steady stream of precum. He looked down for a moment to admire his son's beautiful body and particularly his ass. He thrust forward.

Nicholas gasped in pain as his father entered his tender anus with one thrust. The boy was still wincing as he father began to thrust his ridged pole to his son's core. As the pain eased Nicholas felt his father pounding his young prostate that was full to the brim with his hot young seed. He felt the pounding driving him toward a powerful orgasm. All he could say was...Fuck me Daddy...Fuck me!

His son begging for an ass pounding was just about enough to push Michael over the edge. Fucking both of these hot young boys with out a release of his seed made his nuts ache for an orgasm. Michael desperately needed to seed his son. Michael felt the pressure for orgasm build in his loins as his body merged again and again with his hot young son. Baby boy here comes the seed that made you.

With that Michael totally lost control. The room was filled with the sound of father and son's bodies slapping together as they mated and Christopher's sucking sounds as he prepared to accept his best friend's seed.

Michael cried out as his seed ejaculated in his son's core. Nicholas cried out as he felt his father's hot semen fill him up. That triggered his orgasm and he planted the first load of his seed deep in Christopher's throat. The volume of seed was enough to make Christopher gag for a moment.

Christopher held Nicholas's ass as his friend plowed his throat coating it with a giant load of his sperm. Christopher could not believe that he was being face fucked by his best friend, something he had only dreamed of until last night, while his friend is being fucked by his father.

Christopher almost shot off again with out touching his cock.

As Michael and Nicholas' orgasms subsided, Nicholas turned to his father and kissed him passionately with his tongue probing deeply in his father's mouth. Christopher almost lost his load again just watching the scene in front of him.

They broke their kiss and turned to Christopher. Father and son took the curly hair blond boy to the bed. They gently arranged his naked body on the spread that is covered with the Christopher's own sperm.

Both father and son dove for the beautiful boy's 6" erection which was pointing proudly at the ceiling. They both began to lick opposite sides of Christopher's erection. The pleasure was so intense Christopher cried out as the torturous pleasure continued. They were long slow licks from base to tip with father and son's tongues meeting at the tip. As the pleasure intensified, Christopher grabbed handfuls of spread and continued to moan as Michael and Nicholas slowly but relentlessly drove the boy toward a powerful orgasm.

Nicholas had been gently massaging Christopher's testicles so he noticed when they began to draw up into his friend's body.

Father and son continued the slow licking. Christopher would be driven with each lick right to the edge of his orgasm and then it would subside as they started over at the base of his cock. Christopher was not sure he could stand much more of this and he kept moaning...Gotta cum...Gotta.

Michael reached up and pinched Christopher's nipple hard right as he and Nicholas were on the up stroke. The combination of the nipple play and their tongues simultaneously reaching his corona was enough to push Christopher over the edge.

Christopher erupted like a volcano. His first ejaculation of semen shot 3 feet in the air and fell like molten lava all over Nicholas and Michael's face. The father and son team continued to slowly lick the blond boy's penis which only intensified his orgasm. The

second eruption was a little smaller and the remaining ejaculations flowed out of the boy's penis and down the sides where Nicholas and Michael could enjoy the taste of Christopher's seed.

All of them were spent, but both Michael and Nicholas had renewed erections. Michael said it was time for them to get some sleep. Nicholas reached over and felt his father's erection.

Daddy will you plug your hard cock into me while we go to sleep?

Michael could only smile and motion his son to come over. Nicholas pulled Christopher to his body. The three spooned with father plugged into his son and his son plugged in to his best friend. Nicholas gently played with Christopher's still slimy cock until he began to chub. Nicholas moaned and Christopher sighed as they relaxed and began to drift off to sleep.

The intensity of the experience must have been enough to keep them all erect, because the three of them awoke about 2 am. They were all intensely erect and their bodies were still coupled. They all felt an intense need to seed. Michael and Nicholas began to develop a rhythm and Nicholas stroked his friend's erection. In moments they were all on the verge of another mind-bending orgasm. Michael released his seed first deep in his son. That triggered Nicholas to seed Christopher. The pounding on his prostate was enough to push Christopher to spray the bed with his seed again.

This time as they drifted off to sleep their erections faded and their sperm covered penises slipped out of the warm tunnel leaving a trail of seed on their partner's ass. They were soon sound asleep.

The next morning the three showered together. They carefully washed each other's bodies until all of them had raging erections. When they finished their shower, the boys dried each other as Michael dried himself. He had never seen anything as beautiful as these two boys. The boys went in the bedroom and began to kiss passionately. Nicholas took Christopher by the hand and led him to the bed where the boys maneuvered into a 69 position. They each immediately took each other's penises to the hilt. There was an intense need to release a night's worth of pent up seed. Michael stood over the boys stroking his erection as he watched their love play.

The combination of his friend's sucking and his father's jackin while he watched was enough to push Nicholas over the edge first. He face fucked his friend as hard and fast as he could.

When Christopher tasted his friend's seed it was enough to cause his own nuts explode firing a torrent of seed down Nicholas' throat.

That pushed Michael over the edge and he was amazed as he sprayed the boys with his seed at the volume of his orgasm. The boys were drenched with his cum. They each grabbed a towel and cleaned up.

The boys each had a clean t-shirt that they pulled on. Then they each pulled on the form fitting warm up but with no underwear they had to go commando. The outline of their penises left nothing to the imagination. When they reached the dining room for breakfast, all heads in the room swiveled to look at the boys.

Everyone was staring at their young packages. Both boys noticed the attention and that only made their young penises chub more which sharpened the definition of their young cocks.

As they stood and waited for the hostess to get menus both boy's penises became half erect. It seemed every eye in the restaurant was focused on their penises. The hostess took them to a table on the far side of the restaurant giving everyone a chance to thoroughly perv their young bodies. Michael was amazed that everyone was blatantly staring. He watched as several of the men that they walked by adjusted their erections.

When they sat down, Christopher said that was a little weird.

Michael laughed and said who can blame them, you guys paraded through here practically naked with your boners half hard.

After breakfast they headed home. As they drove through town they were amazed at the damage that the storm had done. Several times they had to drive around downed trees. Soon they were on the interstate.

Christopher asked Nicholas if he wanted to get in the back seat with him. Christopher quickly stripped off Nicholas warm ups.

Michael adjusted his mirror so that he could occasionally glance at the boys. He had a massive erection as he saw that both boys were now naked and fully erect. Michael was jolted by the air horn of an 18 wheeler that they were passing. As he got in front of the truck the driver waved and gave him a thumbs up.

Michael released his erection from captivity and was beginning to stroke it as he watched Christopher mount his son. The boys quickly decided that the back seat was too confining and they crawled in the back of the SUV and lowered the seat backs.

The next time he glanced back, his son was on his back with his knees up in the air. Michael had a perfect view of Christopher preparing to mount his boy's ass.

Christopher put Nicholas' legs over his shoulders. He pulled his erection down so that it was aimed perfectly at Nicholas' pucker. The car hit a bump and Christopher lost his balance which forced his young cock instantly to the hilt in his friend's ass. Nick cried

out in pain and shock. He quickly adjusted to being impaled on his best friend's raging member.

Christopher began to develop a rhythm. He leaned down and began to kiss Nicholas passionately while pinching his nipples. Nicholas rubbed his hard cock against his friend's taut belly and soon the noises of intense passion filled the car.

It was too much for Michael as he sprayed his cum all over his pants and the steering wheel. It was a wonder that the intensity of his climax did not cause him to run off the road.

Christopher cried out as his orgasm overtook him and he filled his friend with his hot semen. That caused Nicholas to explode. His hot cum covered their two bodies. Michael cleared his throat and asked for one of their gym towels so that he could clean up his mess. The boys wiped up and quickly dressed.

When they reached Christopher's house Michael suggested that the boy get in and get changed quickly so that his mother did not get upset about his half naked appearance. Christopher thanked them and ran into the house.

When father and son reached home, they pulled in the garage and walked into the kitchen. Olivia was helping Ryan with his math homework. Ryan looked up as his brother walked in. The idea of parading through the house had caused Nicholas to chub even though he had just climaxed.

Whoa dude that is some outfit. I can almost count your pubes.

Nicholas and his mother both blushed. She cleared her throat and said it is a little revealing.

Ryan said, a little...you can see the head..

Michael said that will be enough Ryan...but the damage was already done...Nicholas now had a full erection where every detail of his penis and testicles could be seen through his skin tight warm up.

Olivia said, son you better go take care of that.

Nicholas blushed as he left the room. He realized that his mother just told him to go jack off. When he got upstairs he took his mother's advice.

As Nicholas threw the cum soaked Kleenex in the waste basket the door opened and Ryan looked in. He saw his brother standing naked and half hard with a drop of cum still on the tip of his cock.

Oh...sorry said Ryan. He was sure his brother would be angry for walking in on him.

Ryan was shocked when Nicholas said it was okay and asked what he needed.

Ryan was just standing there staring at his naked brother. Uhmmm...you had a call this morning. Ryan's eyes were riveted on his brother's penis. Nicholas could not help be smile as he watched his curious 12 year old brother.

There was a long pause, Nicholas took hold of his stuff and shook it. Nick had to ask Ryan who called. Ryan snapped back to reality and looked at his brother while his face turned crimson.

Uhhh...it was Mr. Wilson. He said he had uniforms and camping stuff for Tyler. He said he would bring it over....Ryan glanced at the clock...now! With that the door bell rang. Nicholas grabbed a pair of jeans and a sweat shirt from his dresser. He asked Ryan to tell Bill that he would be right down.

Nicholas smiled as he pulled on the jeans over his still half hard penis. He remembered how curious he was at 12. He wondered if Ryan could make seed yet. Nicholas pulled his sweatshirt over his head. He was thankful that it was too big and he pulled it down over the bulge in his jeans.

Nicholas ran downstairs in his bare feet and met Bill at the door. Bill said that he had uniforms that had been Tommy's. He laughed and said that even the patches were the right ones. I am pretty sure that these will fit him. We also had some extra camping gear. Here is backpack, sleeping bag and some other stuff. I even found him an extra compass we had. He might as well use this stuff and get some good out of it.

Bill confirmed that the bus was going to leave at 2 pm. Bill asked that Nicholas bring Tyler with him. Ryan walked up as they were talking. Bill ruffled Ryan's hair and asked him if he was looking forward to his first campout. Ryan said yeah with great enthusiasm.

Bill suggested that when Nicholas took all of this stuff over to Tyler that he stay and help him pack for the weekend. Nicholas nodded and said no problem. Bill thanked him and left.

Nicholas asked Ryan to help him carry all of this stuff to his room. When they got there, Nicholas asked Ryan if he had and concerns or questions about the campout. Ryan asked a lot of questions, but Nicholas could sense that there was something that he was not asking about.

Is there something that you are not asking me, Nicholas asked.

Ryan got kind of quiet. He said yeah.

You can ask me anything, Nicholas told him.

Ryan asked if they would be taking showers and how that worked.

Nicholas told him that there was a big open shower room at the campsite. It has hot water he told his brother.

Ryan kind of blushed and said, so...like you are naked...like in front of everybody?

Nicholas nodded. He asked Ryan if he had ever been naked with a bunch of guys.

Ryan said that it had only been at the swimming pool. He told his brother that it was before stuff started happening to his body. Ryan stood there blushing deeply.

Nicholas smiled and said, you mean like the boner you've got right now and he traced the outline of his younger brother's tube with his finger.

Yeah...don't tell mom and dad...they'll think I'm a perv. His eyes began to fill up with tears.

Nicholas put his arm around his brother protectively. He looked at him and said all of this stuff is normal. I went through exactly the same thing. Has dad had the sex talk with you?

Ryan nodded yes...wow that was embarrassing.

Yeah but you learned a lot.

Ryan nodded.

But there is still a lot you want to know and you are afraid to ask Dad, Nicholas asked.

Ryan said yes kind of softly. He looked up in his big brother's eyes and he relaxed a little.

You can ask me anything, his older brother told him...anything!

Well...like when I walked in earlier...sorry...didn't mean to...you know were you like...you know...I mean...you know.

Whoa...Nicholas said smiling...just relax. I think the answer to your question is yes.

Nicholas steered his brother over and sat down beside him on the edge of the bed. What do you want to know?

Ryan said he wanted to know what Nicholas was doing and how it worked.

Have you ever seen an older dude naked...like up close?

Ryan shook his head no.

Nicholas began to unsnap his jeans and he was pulling his zipper down.

Ryan asked him, what if mom or dad comes in?

I will just tell them what I am doing.

Nicholas stood and that motion freed his erection from his jeans. As Ryan watched in amazement his brother dropped his jeans to the floor and then peeled off his sweatshirt.

Ryan could not believe that his older brother had just stripped naked for him. Right then Michael opened the door.

Nicholas looked at him and told him that Ryan was curious about what my body looks like.

Michael nodded and said good. He told Nicholas to teach him anything he wants to know.

He turned and walked out closing the door quietly. He went downstairs and told Olivia what was going on. She could see from the bulge in his pants that he was quite turned on. Olivia was sitting at the breakfast bar on a bar stool. Michael whispered in her ear that he needed her. He lifted her loose skirt and pushed aside her bikini underwear with one hand as his other hand freed his cock from his jeans. He began to kiss Olivia passionately. He told her about the trip and the night before. He was telling her about fucking his son and his friend as he entered her. Olivia wrapped her legs around him and pulled him to her core. Her pussy was dripping from listening to the story.

She whispered in a raspy voice that she wanted him to fuck her hard. In minutes they achieved simultaneous orgasms.

While his father was seeding his mother, Nicholas was holding sex class. I know that Dad explained to you how a man and woman have intercourse. He told Ryan that a guy takes his boner and he puts it in the woman's vagina.

Ryan nodded and said that his dad had talked a lot about seed and that was what caused the baby. I don't get how that works at all.

Nicholas motioned for his brother to stand up. He quickly removed his t-shirt and slid down his jeans and boxers. Ryan kicked off his shoes and was quickly as naked as his brother.

Nicholas turned him around and faced him away. He pulled his brother back against him. Ryan laughed and said quit poking me with that thing.

Nicholas grinned and said I am just going to show you how this works. He reached around his brother and made a fist. He told his little brother that a vagina was sort of like his fist. With that he pulled his fist down his little brother's 3 inch erection. He told him to stay there for a moment while he got some hand lotion from the bathroom. He could hear his parents fucking downstairs and he smiled.

Nicholas walked back in his bedroom and put a big glob of lotion in the palm of his hand. He took a position behind his brother again. He said this is really more what it is like because a pussy is hot and wet. He explained to Ryan how to rock his hips to simulate intercourse.

Ryan gasped at the pleasure of his brother's hand on his immature erection.

Nicholas rubbed his little brother's chest and erect nipples while he told Ryan to continue to hump his hand.

After a little while Ryan asked in a somewhat ragged voice if he should stop.

Nicholas said no that he should continue until he told him to stop.

The pleasure was so great, Ryan was hoping for that answer. Then things started to change. He felt really weird inside. Ryan asked again if he shouldn't stop.

Nicholas said no...keep going.

But it is starting to feel really weird.

By this time Michael and Olivia had finished. Michael looked at her and asked her if she wanted to go up stairs to see what is going on. They very quietly climbed the stairs. Michael pointed to Ryan's bedroom. They walked in the bedroom and saw that both doors were open to the boy's shared bathroom. They could see through the bathroom and into Nicholas' room. They saw the boys. They were angled away from them so that they could see the boys but the boys could not see them.

Olivia could not believe that she was watching both of her boys naked and sexually engaged. She could feel herself begin to flood with juices.

They both watched fascinated as their young son humped his brother's hand. Ryan was starting to moan. He told his brother that he felt like his body is going to explode.

Nicholas told him that was the way it is suppose to feel.

Ryan cried out as his orgasm rocked his young body. Nicholas anticipated his brother's climax and he held his other hand below the tip of his brother's erection. Nicholas got his hand there just in time to catch a few drop of milky boy semen.

Ryan was pounding his young cock into his brother's hand totally overwhelmed by the intense feelings that were coursing through his body. He was breathing heavy when the feelings of his first orgasm subsided.

Wow...that was awesome...Ryan told his older brother.

Nicholas said, look at this as he held out his other hand. You shot your first load of cum little bro.

Ryan was fascinated by the milky discharge in his brother's hand. He touched it with the tip of his index finger and said, wow...that is very cool...is this like the seed stuff.

Nicholas nodded and said it is your sperm.

Ryan said what are you going to do with it.

Nicholas grinned and said taste it. He immediately took about half of the load on his tongue. Mmmm...tastes good he said.

Michael just about shot off in his pants as he watched his older son eat his younger son's cum.

Nicholas held his hand out and told Ryan to try a taste. Ryan was hesitant but since his older brother had done it he tried some too.

Ryan looked up and Nicholas and said it tastes kind of salty.

Nicholas nodded.

Ryan saw his parents watching them and said oh shit!

They both rushed in and hugged them both and told them that it was amazing. His dad told him he was now a man and kissed him on the cheek.

Olivia stood admiring her older son. She looked him in the eye and said, my god you are gorgeous...her eyes studied his body and moved steadily toward the boy's rock hard erection. Her fingers went out tentatively and traced his man tube. The sensation was enough for the boy to produce several drops of precum that coated her fingers. You really are a man now.

Michael led the boys to the master bedroom. He told Nicholas to allow his brother to explore his body. Ryan's fingers went immediately to his brother's erection which

caused Nicholas to moan. Ryan just as quickly pulled his fingers back thinking that he had hurt his brother.

Nicholas smiled and put his brother's hand back on his hard cock and told him he just moaned because it felt so good.

Michael was busy stripping Olivia naked. She then stripped him naked too.

Michael looked at his older son and said, I think it is time you lost your virginity. I know you told me you are gay, but I think you need to try everything. Michael nodded to Olivia who lay down on the king size bed next to her older son.

Michael told him to mount his mother.

Nicholas knelt between his mother's legs as his father and little brother watched. Olivia guided her son's raging boner into her vagina. He moaned as the warmth and wetness embraced his young member.

Ryan was feeling his father's penis and scrotum as both watched his brother begin to hump his mother. Nicholas began to develop a rhythm that judging from her moaning must have been quite satisfying to her. Seeing his son's ass piston in and out of his mother was too much for Michael. He climbed up behind his son and entered him.

The three of them developed a rhythm. Olivia was the first to cry out in orgasm. That sent Nicholas over the edge and he began to fill his mother with his seed. That caused his ass to contract on his father. Michael slammed his cock into his son's ass pounding his prostate. Michael knew that his pounding was filling his wife with more of his son's seed.

Michael dismounted and hugged his younger son. He told him that there were lots of ways to cause a man to have an orgasm. He kissed Ryan on the lips and told him how much he loved him.

Olivia kissed Nicholas passionately. She could feel his beautiful penis begin to soften.

Ryan I want you to sleep with your brother the next few nights, his father told him. I want him to teach you more. Let's get something to eat.

They all walked down stairs and talked while Olivia prepared dinner. It was as if being naked in the kitchen was the most natural thing in the world. Michael could see the moisture trailing down Olivia's leg. He knew that it was a mix of her juices, his and Nicholas's. That was enough to make him hard again.

Ryan laughed and pointed at his dad's erection. Dad is hard again?

They all had a good laugh

They finished dinner and the boys went up to Nicholas' room. Nick got on his cell phone and called Tyler. He told him that he had the uniforms and camping stuff for him. Nicholas asked if it would be convenient for him to drop the stuff off tomorrow afternoon.

Tyler said yes. He gave Nicholas his address and told him he would see him tomorrow.

When he hung up, Ryan said he thought Tyler was a nice kid just real shy.

Nicholas told him that he wanted them to do everything possible to make Tyler comfortable.

The boys took a shower together and Nicholas continued the sex lesson with his brother's hard young cock in his mouth. The pleasure was so intense for Ryan he lasted only a few minutes before delivering a tiny bit of his precious boy seed to his brother's mouth. Nicholas decided to wait a while before teaching his brother how to suck him. He thought that this was enough for one day and after all of the sex from the last two days his penis was a little sore.

The next afternoon Olivia drove Nicholas to Tyler's house. Nicholas carried all of the uniforms and gear to the house and waved to his mom when Tyler answered the door. Nicholas noticed immediately that Tyler was wearing cut off sweat pants and a t-shirt. He was pretty sure that Tyler was at least half hard given the bulge in the sweats.

Tyler invited Nicholas in and told him that his mom is at work. They carried all of the uniforms and equipment to Tyler's bedroom. Nicholas said that Tyler should try on the uniform to make sure that it fits and stood back waiting.

Tyler blushed and said right now?

Nicholas said yes because if these do not fit I think I know where I can find some that are larger.

Tyler blushed again and grabbed the pants and started to head for the bathroom.

Nicholas said you can change right here it is just us guys.

Tyler really blushed and stammered. He looked really scared.

Nicholas asked him what is wrong.

Tyler looked as if he might cry...I...I just can't...I don't have any underwear on...you probably think that is creepy.

Nicholas said that's no big deal...I go commando all the time...I think it feels great.

Tyler's eyes got great big. He shoved down the sweats and his penis immediately popped into view. Clearly he was half hard.

Nicholas tossed him the uniform pants and Tyler pulled them on. The pants were a perfect fit. Next he tried on the shirt and it fit perfectly too.

Nicholas said that's great. Slide those off and I will help you pack some stuff for the weekend.

Tyler stripped naked again only this time he had a full boner. This time he did start to cry.

Nicholas hugged him and told him not to worry about it. It is just part of being a teenager.

Tyler asked what if it happens in front of the other guys? I don't know why it is hard all the time.

Nicholas told him it was just part of his body maturing. He pointed to the few hairs that Tyler had above his boner. Those mean that you are becoming a man. It means that soon, if not now, you will be able to make sperm. Your body growing and changing is what is giving you all of the boners.

Tyler nodded but really didn't understand.

Nicholas said don't worry, I have just been explaining all of this stuff to my younger brother. Has anybody ever explained jacking off to you?

Tyler just looked puzzled and shook his head no.

Nicholas explained some of the basics of sex education and got to the part about making sperm. He asked Tyler when his mom would be home and he learned that she would not be home until 8 pm.

He asked Tyler if he had ever seen an older guy naked.

Tyler shook his head no.

Would you like to?

Tyler said, wow...that would be cool...would you show me.

Nicholas grinned and said yes. He started slowly removing his clothes. He first peeled off his shirt. Then kicked off his shoes and pulled off his socks. He undid his belt and

unsnapped his pants and let them fall to the floor. Then Nicholas pushed his boxer briefs down and there was a snap as his erection slapped against his body when it was released.

Tyler was in awe. He just kept staring at Nick's boner.

Nicholas told him that he could touch it if he wanted to.

Tyler was afraid, but he really wanted to touch it. Nicholas took Tyler's hand and put it on his erection.

Tyler could not believe the heat and hardness. He ran his fingers up and down Nicholas' erection.

Nicholas started to finger Tyler's penis. He saw enough hair above his cock that he thought that there was a good chance that the boy could make sperm. He began to stroke him.

Tyler loved being touched by Nicholas. This was a dream come true for him. He had been dreaming about Nicholas naked since he met him at the scout meeting.

Nicholas took Tyler to his bed and the two of them stretched out. Nicholas started stroking the boy faster. Tyler started to feel tension building in his loins. At first he didn't care...it just felt so good. Then the feeling started to get kind of scary. Tyler started to say something but the good feelings kept getting stronger. He needed for Nicholas to keep rubbing his weenie.

Then suddenly Tyler's whole body started to shake and he had to keep pumping his cock. Tyler had a powerful orgasm. Unlike Ryan, Tyler's cum was thick and made a small creamy puddle in Nicholas' hand.

Nick showed Tyler his semen and explained what had happened.

Tyler asked him if he could see Nicholas cum. Nicholas showed Tyler how to jack his cock and the boy was fascinated. He stoked until jets of Nicholas' cum were flying everywhere. Nicholas, Tyler and the bed were covered with Nicholas' semen. Nicholas pulled Tyler close and told him how great that felt. Tyler was still amazed at how much cum Nicholas shot.

Nicholas said I will teach you more later. Just keep doing that any you won't get boners as often.

Nicholas asked Tyler if he wanted help packing. Tyler nodded yes. Both boys stood there with cum dripping off of them as they packed Tyler's back pack.
